

Welcome, fellow money lover.

Money loves you and is already on it's way to you. But you need to know how to attract it, earn it, save it and hold it.

The story:

During all 2018 I read every money/finance book I possibly could, took part in courses, followed Youtube Channels, listened to interviews and podcasts. This changed my life for good and lead me to a completely new money mentality! Below are all the money books worth reading from 2018 and the list goes on with new titles! Enjoy!
